I Added the Spanish section to the newspaper announcement. In the agenda, the wrap up says next public input. That is still a little farther down the road, at its best maybe a year away. I think we should wait until we are closer.

Hi. We are hosting our second quarterly public meeting regarding VB/I-70 on March 19, 5:30-7:30 pm at Focus Points Family Resource Center in Denver. This will coincide and replace the March monthly CAG meeting. Attached is a draft agenda and public notice to go into the Denver Your Hub. Could you please send me any edits you may have – Kara, notice I've got you as a presenter to give an update on the removal action; let me know if there's enough happening there for this to be on the agenda.

I've copied our new facilitator, Joe McMahon, on this email as well.

Thanks all,
-jc
